

What is SCMAF?

The Southern California Municipal Athletic Federation is a collaboration of recreation professionals encompassing the majority of cities and districts in Central and Southern California. SCMAF's mission is to ensure the availability of recreational sports programming for youth and adult participants at all skill levels, in an atmosphere whose primary emphasis is FUN.

How Do I Get Involved With SCMAF?

Involvement is easy, and your level of participation is entirely up to you. Each of SCMAF's 8 geographical regions hold monthly general membership meetings open to all members. Contact the SCMAF Office to find out when and where the next meeting in your region will take place.

SCMAF Geographical Regions

Bay Area
Channel Cities
Inland Valleys
Orange County
San Diego County

Why Should I Register My Teams?

TEAM REGISTRATION BENEFITS

Registering your teams provides the following benefits:

- Sport-specific rulebooks for every team
- Quality, free training for coaches, officials, and parents
- Exclusive sports tournament opportunities for teams at every skill level
- Opportunity to host large culminating tournaments at your agency, attracting visitors from throughout Southern California
- Access to training, information, sports rule interpretations, and networking for staff members
- Access to online registration, training and scheduling programs
- Access to excellent insurance programs for agencies, staff members, players and teams
- The SCMAF “Stamp” of excellence, credibility and recognition for your sports program
- SCMAF was established with a philosophy of full participation from every member agency, including team registration.

How Do I Register My Teams?

Registration really is easy. Simply contact the SCMAF Office, at (626) 448-0853, and staff will assist you. You can also e-mail SCMAF for assistance at scmaf@scmaf.org.

Here is all you will need:

- A list of all of your team names in your current league
- A list of contact persons & information for each team
- Your agency’s name and your contact information

That’s all there is to it! Upon receipt of this information, SCMAF will forward your team materials to you, and be at the ready to assist with your sports league needs.

Team Registration Fee

Adult Softball Teams	\$12.00 per team
Adult Teams (other sports)	\$8.00 per team
Youth Sports Teams	\$3.00 per team

One, low fee gets you and your teams all the benefits of SCMAF affiliation

Why Not Register Your Teams?

Team registration is too expensive!

Actually, registering your teams typically amounts to less than \$1.00 per adult player, and less than 50 cents per youth player. The benefits that you and your participants receive are much more valuable than that.

I contract out my sports programs!

The truth is that it is EASY to still require team registration from your contracting association. SCMAF can show you how to properly and effectively include this in your contracts. The question is, “How can you afford to trust your agency’s reputation to an outside vendor without ensuring that they are affiliated with SCMAF?”

Team registration is too much of an administrative hassle!

In reality, team registration is easy, and will require very little of your time. Simply contact the SCMAF Office, and they will guide you through the process.

My agency and I already contribute to SCMAF.

SCMAF is grateful to all of its contributing members and agencies, but the truth is that team registration is what facilitates SCMAF to continue providing the services which we have become accustomed and continue to need.
