FIELD RENOVATION GRANT PROGRAM RECIPIENTS NAMED

January 4, 2012 – South El Monte, CA – The Southern California Municipal Athletic Federation (SCMAF), in partnership with Major League Softball Inc. (MLS), has awarded two (2) individual baseball/softball field renovation grants to the City of Carson's Veterans Park and the City of Norco's Clark Field. Each field grant is valued at \$1,500. Applicants were instructed to articulate their respective agency's improvement needs by completing and submitting an application available through SCMAF.

Eligible applicants had to be a SCMAF member agency in good standing and the applicant's field was to be located in their agency's jurisdiction.

Special thanks to Dave Johnson, MLS President; Tim Ittner, SCMAF Executive Director and the grant application committee who lent their time and effort in choosing this year's recipients. Major League Softball and the Southern California Municipal Athletic Federation will be offering two (2) more grants again this year. Look for information on the SCMAF web site this summer.

What Is SCMAF?

Established in 1949, the Southern California Municipal Athletic Federation (SCMAF) is a non-profit organization of recreation professionals from over 500 cities, school districts, industry, and district agencies servicing 10 Southern California Counties. Over 500,000 youths and adults participate in SCMAF programs annually.

SCMAF provides leagues, tournaments, and clinics for athletes, while also offering training and workshops for league administrators and parents.

Youth Sports competitions include: Basketball, Cross Country, Flag Football, Swimming, Tennis, Track and Field, and Volleyball.

Adult Sports competitions include: Basketball, Soccer, and Softball.
