Dear SCMAF Orange County Member,

The ability and desire to support future recreation professionals is one of the greatest attributes of SCMAF Orange County. One way we accomplish this goal is through our Scholarship Program. Every year, up to two students are awarded a scholarship for their achievements and contributions to their agency and SCMAF. We are now accepting applications for our 2009 Scholarship Program.

Please take the time to review the scholarship guidelines and application process. We ask that you forward this information to any college student working for your agency that you feel is worthy of a SCMAF Orange County Scholarship. Our goal is to have a minimum of ten applications for review. Scholarships will be awarded in two categories: full-time students and part-time students. It is anticipated that a total of two scholarships will be awarded this year, with the top scholarship recipient receiving between \$250-350.

Applications are due by 5:00 p.m. on **Thursday, November 5, 2009**. Applications can be faxed to (714) 744-7235, Attention: Mark Matsuda, or mailed to:
