This year's SCMAF's Annual Awards and Installation Banquet was held at the Anaheim Marriott Suites in Garden Grove. The theme of the banquet was "Passport to an evening of Inspiration" to signify this year's goal of the Executive Board to bring a global vision to SCMAF in 2011. After guests checked in, they had time to socialize with one another in the halls outside the banquet area.

The evening began with a brief welcome from the Master of Ceremonies, Jeff Wilson. Jeff introduced Tiffany Tatreau who sang the National Anthem. After the anthem Jeff then introduced outgoing SCMAF President Daniel Schneider who went on to praise SCMAF for its 61 years of service to the southern California community and how this banquet recognizes SCMAF's members and agencies who have gone above and beyond their commitment to SCMAF.

At this year's banquet, the SCMAF Student Scholarship was awarded to two deserving students. Unlike the past where SCMAF awarded the scholarships at the Institute, this year's recipients were invited to attend the banquet. Along with membership donations from various 50/50 raffles throughout the year, SCMAF joined with the Guerrero Family to provide for these scholarships. The Guerrero Family works diligently to generate funds for this scholarship fund, named in honor of their late wife and mother, Margret Guerrero. This year's recipients both attended California State University Long Beach and major in Recreation and Leisure Studies. Congratulations to Daisy Lopez and Kaci Thol.

After dinner, the awards portion of the banquet was set to begin. These awards were divided into eleven different categories. These categories are the Golden Shield Award, Appreciation Award, Honorary Membership, Service Award, Outstanding New Sports Facility, Innovative Sports Activity Award, Jim Bishop Award, Special Recognition Award, Citation Award, the Ed Baldwin "Spirit of SCMAF" Award and the Merit Award. (award results pgs. 3-4)

After all the awards were handed out, it was time to install the new 2011 Board of Directors. Past President Joe Mendoza was given the honor to serve as the installing officer.
