This year's SCMAF's Annual Awards and Installation Banquet was held at the Toyota USA Automobile Museum in Torrance. The theme of the banquet was "Honoring the Past. Leading the Future" to signify this year's goal of the Executive Board to work aggressively to strengthen itself as a viable and pertinent organization, both to recreational professionals and sports participants in 2012. After guests checked in, they had time to tour the main hall of the Toyota USA Automobile Museum or socialize with one another in the banquet area.

The evening began with a brief welcome from Torrance City Council Member Gene Barnett. Gene thanked the audience supporting their communities and to keep up the good work. Next the Master of Ceremonies, Scott Williamson, introduced Katie Parkinson who sang the National Anthem. After the anthem Scott then introduced outgoing SCMAF President Carlos Espinosa who went on to praise SCMAF for its 62 years of service to the southern California community and how this banquet recognizes SCMAF's members and agencies who have gone above and beyond their commitment to SCMAF.

2012 SCMAF Board of Directors

Carlos spoke of SCMAF's service to the community and of the federation's rich history which was sitting in the audience. Carlos took time to recognize the Past President of SCMAF in the audience. He then thanked the 2011 Association Officers and SCMAF staff in attendance and everyone during the past year that helped contribute to SCMAF's success which included contributions from the following sponsors: Diamond Sports, Events by Noonan, Hirsch and Associates, Inc., Innovative

Along with membership donations from various 50/50 raffles throughout the year, SCMAF joined with the Guerrero Family to provide for these scholarships . The Guerrero Family works diligently to generate funds for this scholarship fund, named in honor of their late wife and mother, Margret Guerrero. This year's recipients included Yanelle Cenicerros from California State University, Rebecca Hutchins of Azusa Pacific University and Ethan Machado of California State University at Long Beach. Congratulations to Yanelle, Rebecca and Ethan.

After dinner, the awards portion of the banquet was set to begin. These awards were divided into eleven different categories. These categories are the Golden Shield Award, Appreciation Award, Honorary Membership, Service Award, Outstanding New Sports Facility, Innovative Sports Activity Award, Jim Bishop Award, Special Recognition Award, Citation Award, the Ed Baldwin "Spirit of SCMAF" Award the Merit Award and a new category was added this year, the Volunteer Merit Award. This new award allows member agencies the opportunity to honor the efforts of the many individuals and organizations that volunteer in their community. (award results pgs. 3-4)

After all the awards were handed out, it was time to install the new 2012 Board of Directors. Past President Deryl Lloyd was given the honor to serve as the installing officer.
